HORACE CHILTON FOR COMMISSIONER

Former Senator Tendered Place on Railroad
Commission Made Vacant by Death of
Chairman Storey.

Special to the Eagle.

Austin, Texas, March 31.—Governor Campbell this morning tendered to Hon. Horace Chilton of Dallas the vacant place on the Texas Railroad Commission held by Hon. L. J. Storey, who died last Sunday.

Mr. Chilton was appointed United States senator by Gov. Hogg and, after having been defeated by R. Q. Mills of Corsicana, was elected for another term by the legislature. He was succeeded in the senate by the present incumbent, Senator Bailey.

It is not yet known whether Mr. Chilton will accept.

CHILTON RETICENT.

Declined to Commit Himself Friends Believe He Will Not Give Up Large Law Practice.

Special to The Eagle.

Dallas, Texas, Mar. 31.—When seen this morning by interviewers, former senator Horace Chilton declined to say whether or not he would accept the appointment of Railroad Commissioner, of which he had just been notified by wire from the state capital. His friends believe he cannot afford to relinquish his large law practice for the sake of the compar-

tively small emoluments of the office. Since his removal from Tyler to Dallas Mr. Chilton has manifested no desire to re-enter public life.

CHILTON ACCEPTS.

Wires Governor That He Will Take the Office of Railroad Commissioner.

GREATEST SNOW STORM OF WINTER IN PANHANDLE

Heaviest Snow of the Winter; Preceded by
Electrical Storm Last Night. Hailed
With Delight by Farmers.

Special to the Eagle.

Amarillo, Tex., March 31.—A violent electrical storm accompanied with brilliant flashes of lightning and deafening crashes of thunder raged over the Central Panhandle last night, followed this morning by the heaviest

snowfall of the season. At 10:30 a. m. the air is still full of the descending flakes. There is great rejoicing among the farmers, for vegetation has not yet awakened from its winter sleep and the melting snow will put the ground in fine condition for planting.

Special to the Eagle.

Wichita Falls, Tex., March 31.—Advices from Quanah this morning are to the effect that three inches of snow covers that section and that the

fleecy flakes are still falling there and at points further north in the Panhandle and Western Oklahoma. At this point a cold rain is falling. Reports from all over north Texas say the temperature is falling rapidly today.

CRAZY SNAKE IS STILL AT LARGE

Reports of Surrender Unfounded---Indians
Hemmed in But no Signs of Surrender.

Special to the Eagle.

Muskegon, Okla., March 31.—Reports published in the newspapers yesterday afternoon and this morning to the effect that the Creek Indian Chief, Crazy Snake, and his band of braves had surrendered are groundless. So says the latest information from Henryetta received just before noon today. The hostiles are still occupying their position among the hills and have given no information that they wish to surrender. Capt. Hoffman's troops of the Oklahoma militia and

the sheriff's posse's co-operating with him have the Indians surrounded so that they cannot possibly escape. It is not believed they have provisions enough to enable them to hold out more than a few days, so that a crisis may be expected at any moment. There are only two horns to the dilemma that confronts them; they must surrender or make a desperate attempt to break through the lines of the besiegers. In the latter case there would be a bloody battle, in which but few, if any, of the red men could escape extermination.

SNOW TEN INCHES AT CHILDRESS

Six inches at Matador. Still falling. Live Stock Not Suffering.

Special to The Eagle.

Childress, Tex., March 25.—The snowfall today is far the heaviest of the year. The ground is now covered to a depth of ten inches and the snow is still falling. Report from Matador this morning stated that the snow was six inches deep there. Everybody is rejoicing because it is believed it insures the best crops in ten years. Live stock is not suffering and there is no interference with railroad traffic.

NEGRO ARRESTED IN WACO.

Charged With Murdering White Man in Angelina County. Reward Offered. Trained by Detective.

Special to The Eagle.

Waco, Tex., March 31.—Will Jones, a negro, charged with murdering a white man in Angelina county eight years ago, was arrested here today by Detective Will Jenkins, who trailed him to this place. The sheriff of the county, where the alleged crime was committed has been notified and is on his way to take charge of the prisoner. The governor had offered a reward for Jones's capture, which doubtless will be awarded to Detective Jenkins.
